WHAT'S
YOUR
HAPPY!?

SEASON:

SS26

PRODUCT:

sun/ophthalmic

Born at the intersection of California youth culture in 1994, SPY+ is shaped by the unique blend of Concrete / Water / Snow / Dirt / Art / Music.

Our foundation epitomizes individuality and obliterates the status quo in everything we do from reimagining product design to how we ride and take on the world. We're on a relentless hunt for that special moment we identify as finding your Happy!

Join us on our journey as we craft the highest-performance, tech-driven eyewear with a nod to authenticity in the things we love. Made for the core, doer, thrill-seekers in pursuit and those who push for alternative style. SPY+ lives and breathes through pure adventure—every fucking day.
